Highlights

Access to all controls
The openings on this case allow convenient access to all controls and dock connector, so you can use your device while it's protected inside the case.

Removable wrist strap
The wrist strap can be attached to the case to help keep your device close secure and at hand - and can be removed if not needed.

Specialized case for gaming
Protect your device in an attractive case that adds comfortable handles for improved grip and control when playing games on your device.

Protective silicone
This case is made out of soft silicone which adds a layer of grip to your player, while it also protects your device against normal wear and tear.

Slim, pocket-friendly design
The slim design adds protection with minimal added bulk, so your device still fits easily into your pocket or bag for protection on the go.

Wrap-around protection
The material of this case wraps around from back to front, providing protection for the corners and perimeter of your device's face.

Protection in a snap
This case is made from a durable material that is custom made to fit your device perfectly. The case is quick and easy to put on, and adds a layer of protection to your device.

Covered buttons
The case material covers the volume buttons, giving you push-through control while your device stays protected.
